

# Rsc Envirologic Lubricating Oil 46 - 5 gal

RC26805

## Details

(Formerly EnviroLogic 268). Most rope, cable and chain products lubricate and then fling off, causing environmental contact and subsequent contamination. EnviroLogic Lubricating Oil 46 is biodegradable and non-hazardous with a tackiness additive to keep the oil on the chain, solving the incidental exposure problem. The natural ester technology offers a direct replacement for mineral oil based chain oils, excellent antiwear capability with increased protection for your equipment.

- Biodegradable & non-hazardous
- Excellent anti-wear capability
- Increased protection

## Specifications

Manufacturer

Envirologic

**Baber Turf Equipment Co.**

Unit 6 / 10 Firth Street Auckland, 2113
