

Tire - 18x8.50-8 Nhs (4 Ply) Carlisle Links

RCT5192711

Details

The Carlisle Links tire is the premier choice for golf carts. With its wide footprint, strong sidewall, wear-resistant rubber compound, sawtooth tread pattern, and wide flotation design, this tire offers unmatched stability, durability, and grip. Whether you're cruising around the golf course or exploring off-road paths, the Links tire ensures a reliable and enjoyable golf cart experience.

- Sawtooth tread for extra grip
- Wide flotation
