

Bedknife - 32 in Unit - Standard

R114-9389

Details

R&R Bedknives are manufactured from high carbon-boron alloy steel and then hardened to RC46-49 to match the temper of our reel blades and original equipment reels. Bedknives are surface ground on the top and front edge and straightened three times before being packaged with oil for rust prevention. All R&R Bedknives now have an increased front edge grind for added life. All R&R Bedknives are guaranteed against defects in material and workmanship under normal use for the life of the part.

- Manufactured from high carbon-boron alloy steel
- Hardened to match the temper of our reel blades and original equipment reels
- Lifetime Guaranteed*
