

# Underhill Prospray Gun - Gold Series - Adjustable Pistol Spray

RGNG200-P

## Details

The Gold Series ProSpray Variable Spray Gun adjusts from jet spray to fan spray pattern simply by twisting the end of the spray head. This heavy-duty, economical nozzle is of metal-zinc/brass construction and features a smooth trigger operation and no leak design. Complete with rubber comfort grip handle plus a locking clip to reduce hand fatigue. Use with 3/4" hose inlet.

- Variable Spray Pattern
- Metal/Zinc / Brass Construction
- Smooth Action Trigger with Holding Clip
