

Coast SS Hinged - 16x30x46

RGSE1038

Details

Our rugged 304 Stainless Steel construction detours vandalism and theft of your backflow, air vacuum and other valuable devices. Electropolished and sandblasted to a smooth finish for the best rust free protection, durability and lowest maintenance costs, especially in coastal or high humidity areas. No sharp corners. LockShield brackets for maximum protection from bolt cutters. Install with concrete base. Made in USA.
