

Spryte Original Flag Reflectors, 3/8-16, Box/10 RP03816-10

Details

Quickly and easily find the distance to the flag with the Spryte Flag Reflector. Designed with a large 1.80" diameter easy-to-see surface for all laser rangefinder players. Pace of play is increased by accurately displaying the exact distance to the flag. Simply screw the reflector onto the top of the flagstick for immediate use. The soft foam base protects flagstick and greens, if dropped. Box/10.
