

Lake Weed Eliminator Rake - 28in

R2115

Details

Instantly remove weeds and algae at the bottom of lakes and ponds without dangerous and expensive chemicals. This underwater lawnmower has an extremely sharp, 28" reinforced cutting blade that's serrated for "bottom-cutting" with a simple push/pull motion. Then, use it as a gathering tool. Reversible, double-sided cutting surface is set on an 11 ft. powder-coated aluminum handle for an extra long reach.

Please note: Due to excessive air freight charges, this item will be shipped ground freight.
