

Better Bungee Poly Strap, Galvanized Hooks 36"

RBB10036

Details

The Better Bungee Strap made of polyurethane is safer, stronger and better than traditional bungee cord. This non-rubber, super-strong, flexible strap stretches more than 2X the original length. Designed with triangular high-strength S hooks to stay in place and not fall out. Will not crack, split, break or become brittle. Withstands extreme weather conditions, oil, salt water, UV rays, gasoline/diesel fuel and most chemicals. Made in U.S.A.
