

Fiberbuilt Distance Marker

RP38

Details

Extremely visible and durable BVD markers are manufactured of brush golf mat material and install in minutes at grass level. Simply cut turf around perimeter with spade. Remove turf, level the ground to correct depth and insert BVD marker into the area. No moving parts, nothing to break and are easily mowed over. If you need to raise or lower them, simply lift up, add or remove soil and put back down. Colorfast fiber resists fading. Available in 1' x 1' squares of solid color or green with color circle. Virtually indestructible. No maintenance.

- Manufactured of golf mat material
- Quick to install
- Mow-over ease
- Colorfast & resists fading
- No maintenance
